Area 74 District 20 Spring 2021 Conference Planning Wrap Up Saturday June 5th @ 11:35 AM Germfask

Kathy P opened the meeting at 11:35 a.m.

Dean C presented wrap up Treasury Report. With 7th Tradition contributions, conference was fully self-supporting with \$118.95 surplus. Unanimous approval to return \$1000 seed money to Area 74 and split surplus of \$118.95 and return between District 20 and Area 74.

All agreed that while attendance was low, all felt good about the work that was put in and that we moved forward even though the speaker meetings conflicted with Area 74 servants travel to/from the Area Assembly on the Saturday of the Spring Conference weekend.
