7th Tradition Observed

GSR Reports:

Kathy : Sunday Blue in Review, doing well, no changes.

Neal: GSR Friday Morning Newberry at St. Gregory's; about 10 people on average at this meeting and same at the Tuesday meeting. Using anonymity cards on the tables at meetings. Engadine meeting will now be a seasonal (summer) meeting and the website will be updated. Engadine group made a donation to the church where meeting is held and sent contributions to District, Area and GSO.

Nikki: (Not a GSR) reporting for Thursday It's In the Book Germfask group: Anniversary party was well attended and fun. Numbers are holding steady with a newcomer attending the last two meetings. Sunday Grand Marais is about the same with an addition of a newcomer.

Dean: Not a GSR, Christmas flyers for the Friday Manistique Lets Get Everyone Together Meeting are out.

Mark: Munising Friday morning 12 x 12, four to six members, not much new happening. Strong group conscience. Very centered on the 12 X 12. New treasurer and first report was given. Had a business meeting too.

Wanda: Friday Night "Get Everybody Together" Christmas party is coming up. Meetings used to be potlucks but less people were bringing food, then only one person, so no food right now. Numbers went down when the food stopped. Other Manistique meetings are up and down. Wanda is currently the only GSR in Manistique.

Eddie: Friday night Munising. The safety card is being used at meetings. Monday and Wednesday meetings in Munising need a GSR.

Committee Reports:

***Hotline**- No calls this month.

***Literature**- Great sales at last intergroup in Curtis, \$158. New inventory added at cost of \$186. Total in account \$248.12.

***Corrections**- Kathy, women's meeting is going well.

Eddie, Tuesdays at Alger has had 7-8 residents attending meetings. Many are from Newberry/Manistique so District 20 is well covered. Acceptance is a big topic at the meetings. Roger has attended meetings with Ed and his long term sobriety has been a good fit for the meetings.

Archives: No chair

***PI-** No report at this time.

***CPC-** Mark is going to AuTrain meeting to explain what role the CPC plays for AA and the community. Workshop was postponed to a date yet to be determined. There was a lack of commitment from the community members who were invited to the workshop. Mark and Dean plan to work on building relationships with community members and then inviting them to a workshop. There were many AA members interested in attending the workshop.

***Website-** Dean, Domain renewal approved. Event calendar is up to date and informative; we can use our District 20 Calendar to coordinate events so as not to overlap Area 74 Events.

Old Business: NA

New Business: District 20 would like to make a bid to host another conference. We will determine what date we'd like to bid for and proceed from there.
